

CONCEPT

“Rider-Look is a steady style that has been a prominent category in the history of fashion”

uglyBROS company, founded in 2004, is preparing to introduce stylish product, mixed with the safety technology for riding gear function and the sense of fashion. products are not just as good-looking but as valuable thing with its originality. uglyBROS, pursues ever advancing look.

“WRBR - We're not Racers, but Riders ”

This is our slogan.

Our product are not a genuine riding gear for high speed or long distance tour.
But designed for daily casual riding(commute, close range movement)
It is the ‘Hybrid-Wear’, added to fashionable design sensibility and minimum fuctions.

*“ Rider-look of runway and Riding-gear on the road are too different.
Ridind gear is also one of clothes.
I think, clothes shoud fascinate.....”*
